Description

Gents Omega Seamaster Calendar automatic wrist watch. UK POSTAGE ONLY FOR THIS ITEM The watch has a calibre 503 automatic movement which is working nicely. The movement is fully signed and it has the serial number 15,591,853 which dates it back to 1956. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is stainless steel. It is in good condition, just a little light marking to the back. The back of the watch is faintly signed Seamaster and Waterproof although, as with any vintage watch, it should be kept away from water and moisture. The inside of the case back has the Omega logo, together with the case reference 2849-3 SC which is correct for the calibre 503. Plain winding crown. The lens is in good condition. The signed dial is in its original finish with original hands, centre seconds hand and date display (early quickset). There is some marking to the hands, and freckling across the dial. The dial is double signed as it also has the name of the original high end retailer Turler. The watch comes on a beads of rice strap (not Omega) which fits a 18.5cm wrist on its current largest setting, and there is an extra link which ...
