Description

This lovely Continental Pine Art Nouveau Wardrobe features a convenient Knockdown design, making it collapsible for easy transportation. The wardrobe includes a Cavetto cornice atop two panelled doors that open to a cupboard with a brass hanging rail. The left door is equipped with holding bolts at the top and bottom, while the base boasts two spacious drawers. Its design is elegantly simple with charming Art Nouveau carving embellishments beside the doors, showcasing small heart-shaped corbels with delicate floral accents and carved inset beading below. The brass escutcheons on the doors and drawers are in keeping with the period style. This wardrobe also comes with a working lock and key. Whether you love its current look or prefer a customised style, this piece can easily be painted to harmonise with your colour scheme. Moreover, its collapsible nature allows it to fit through even the narrowest staircases.
