Description

A Late Georgian Fruitwood Tilt Top Wine Table - This provincial table boasts a rich colour and beautiful grain. Its circular tilt-top features a raised lip gracefully perched atop a simple ring-turned column. Resting atop an appealing tripod base with elegant sabre legs, this versatile piece is perfect as a wine, side, or lamp table in your lounge, bedroom, or even bathroom. While showing signs of wear typical for its age, including a slightly warped top, the table remains functional with a reliable snap mechanism and sturdy legs for a stable stance.
