Description

I don't find this quality in this sort of condition very often. Absolutely full pile, finely woven and with exceptional colour. The many small colour changes in the orange red field (abrash) are delightful as is the interaction between the straw coloured vines, many and varied leaves and the four palmettes. The extra fine quality to the weave allows the drawing to be as sharp as a knife. A spectacular work of art for your floor. 9'6" x 14'6"
