Description

Technical Description A superb set of six Dutch green wine glass Roemers dating to between c1790 and 1810. They have cup bowls with hollow stems which have applied milled bands and raspberry prunts above high spun feet. They are all the same form and age, but are hand made and as such there are slight differences in colour and size as shown. Rare to find a set of six in this form. Date & Origin Dutch Republic c1790-1810 Condition Excellent, no chips cracks or restoration. Dimensions Height: 12.8cm Inside Rim diameter: 4.5cm Foot diameter: 7.2cm

Internal Ref: 2024061317
