Description

A large mahogany cribbage board dating from the late 19th Century. It is beautifully made with inlaid sections, small bun feet and a sliding compartment on the underneath to store the marker pegs. It is in good condition throughout and although it has been used it has been well looked after over the years. There are some small signs of age and use, a few minor knocks and marks but nothing detrimental and it has a wonderful patina. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10, rest of the world £25.
