## Description

Late C19th / early C20th Chinese Qing Dynasty carved hardwood rectangular altar table . Carved huali altar table with pierced and carved lateral and end friezes , raised on square end supports with carved feet detail. Of traditional design rectangular top with a central 'floating' panel. Of rare collapsible design with skilfully made numbered joints and mitres allowing the table to be disassembled for ease of transportation. In excellent original condition with a rich colour and patina. Some minor historic marks to top and a small shrinkage gap to 'floating' panel top commensurate with age . A smart Chinese hardwood table of good height , scale and proportions, suitable for use as a console table or for displaying objects. H 40" W 60" D18" China c.1890

Internal Ref: ML 247
