Description

An unusual combination, a Russian papier mache box featuring the "Birds of Australia" written at the bottom of the painted panel, presumably made in Russia and exported to Australia for sale, I would date it to around 1920. The hand-painted lid is exquisite and the sides also painted with foliate panels. As usually seen in these Russian boxes, the interior is a vibrant red finish. The box is signed in the bottom left-hand corner, as can be seen in the photographs. Excellent condition, measuring 4 1/4" x 2 3/4" x 2 1/4".
