Amethyst & Gold drop earrings

Price

Sold**Item Reference: SA1082275****Date of manufacture: 1960**

Description

This pair of Amethyst and 9ct yellow gold , drop earrings have been made in Edwardian style. They have fabulous cut oval stones each stone approx .5cm in length and overall drop approx 2.25 cm . The amethyst earring pendant is free hanging and therefore truly catches the light, with maximum movement. The stones are bevel mounted with a flange detailed with twisted gold wires giving a gadroon edge . These are a stunning pair of earrings

Internal Ref: Gin/CGjuly
