Description

A scarce George III Scottish agate and silver vinaigrette. Although unmarked it is probably Scottish and made around 1790 . It has a stand away hinge and the top fits well. The interior is gilded with a beautifully engraved grill pierced in 18th century fashion. The carnelion stone is good and overall the vinaigrette is in very good condition. A great addition to any collection. WEIGHT; 32 grams. Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna. Using Klarna payments can be split over three months.
