Antique walking stick/horse measuring cane

Price

Sold**Item Reference: SA1082318****Date of manufacture: 1920**

Description

This is a fabulous piece of social history. When horse power still (in the majority of cases) meant four legs! A gentleman's walking stick with horn handle and internal measuring cane and brass spirit level pod. The stick was manufactured in England and has a silver collar identifying , the london firm of J Howell and Co Ltd. It also dates the cane to 1923. A very desirable item , still perfectly functional! Perfect for the individual with equestrian interests ... The tip of the stick has not been replaced and it is in original condition .

Internal Ref: King/j 7
