Description

Antique Zenith pocket watch, 1924. The watch has a stem-winding movement, signed Zenith, which is working nicely. The movement has the serial number 2,671,659 which dates it back to 1924. The movement is protected by an inner hinged cover which is engraved, 'Grand Prix Paris 1900'. This inner cover has a couple of scratches. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel, marked as being white metal. It is in good condition, just light marking to the hinged back, nothing serious at all. The inside of the case back has the Zenith logo. The acrylic lens is in lovely condition. The signed dial is in lovely condition with blued steel hands and, unusually, blue 24 hour numerals to the perimeter. The watch comes in a new presentation box.
