Height = 16.7 cm (6.6")

Description

Technical Description A very fine example of a mid 18th Century air twist wine glass. A bell bowl with a solid section at the base containing a tight multi spiral air twist that continues down into the stem. The stem also has a central vermicular collar. Sits on a conical folded foot. A superb two-part glass, the collar being both decorative and practical. **Date & Origin** England, c1750. Period of George II. **Condition** Excellent, age-related wear as shown. **Dimensions** Height: 16.7cm Rim diameter: 6.2cm Foot diameter: 7.3cm.

Internal Ref: 2024062607
