Description

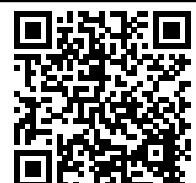

A beautiful antique French carved walnut mirror in the Rococo style, dating from around the 1930's. It is of superb quality, with stunning floral carving throughout. The mirror has bevelled edges, this is a great size and is a very impressive item. The condition is excellent for its age, with just some extremely minor surface wear here and there. The lowest piece of carving has had a very small repair, not visible at all from the front and only visible from the rear, which would be hidden against the wall.
