Description

Gents 1940s Marvin wrist watch. The watch has a signed calibre 540 hand-winding movement, 15 jewels, three adjustments, which is working nicely. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is chromium plated while the case back is stainless steel. The case is in good condition with just light marking, nothing serious at all. The lens is in lovely condition. The signed dial is in its original finish with original blued steel hands. There is freckling across the dial. A new leather strap has been fitted. The watch comes in a new presentation box.
