Description

A good quality mahogany window seat or hall bench dating from the late 19th century. It stands on attractive turned legs and the mahogany has developed a lovely patina. It comes with a later made squab cushion which nicely compliments the bench. It is in good condition and is strong and sturdy. There are some signs of age and use, some light surface marks and small knocks around the legs and some wear to the finish in places but nothing detrimental and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
