

SA1083444

Primitive Antique Solid Burr Walnut Bench or Table with Copper Penny c. 1940

Price

Sold**Item Reference: SA1083444****Date of manufacture: 1940**

Description

A lovely heavy and solid small side table or stool set on three tapered chamfered and azed legs and the top with live edge border and dimples where the burrs in the walnut sit. Very sturdy, sits down very well without a wobble. . With an extremely attractive rich and warm colour and of a rustic and primitive form. . There is a copper penny coin sitting deep in the table top and the table appears to date from the 1930s/1940 . . Dimensions are: . 28 inches wide (max), 17 inches deep (max) and 17 inches high
