Description

A lovely pair of 1920s black leather riding boots, graced with elegant gold hand-painted lettering. Originally showcased in a London shoe repair shop window, these boots are a great example of craftsmanship and style. Accompanying the boots is the original hardwood shoe tree, also adorned with a striking black and gold hand-painted "M". The painting, possibly retouched over the years, enhances their historical character. H: 64.5 W: 10 D: 28 cm
