Description

A fine example of a four division Sterling Silver toast rack. It is a stylish good quality piece, weighing approximately 88g and has an angular design with a shaped handle. It is clearly hallmarked for James Deakin & Sons, Sheffield, 1932. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few light scratches and some minor dinks and dents but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
