Description

Georgian Tilt Top Table with pad foot and birdcage action - later painted English Georgian Era circa 1780 Tilt Top with birdcage action Tilt-top mechanism works seamlessly Hand painted detail to centre of top Later painted faux stone top Individual hand painted design and Segment lines to the top Later Painted Distressed Mottled Black base Hand turned Vase-shaped stem column Tripod Base with 3 slender, shaped cabriole outswept legs Terminating in pad feet providing strength and stability Stands Very Well Could serve well as a lamp table or side table or Small supper table between chairs H: 71cm (28") Di: 83cm (32.7") Dating back to the late 18th century (c. 1780), this exquisite original Georgian period Tripod Table, also known as a Tilt Top or Snap Top Table, is of high quality, exudes charm and possesses all of the classical features required. It has all its original components, including the birdcage mechanism, indicating it is early Georgian, and has been later painted. It has been later painted in a colour that was used in Georgian times; we have mixed it to our traditional recipe and applied it by hand in the traditional manner and described the finish with ...
