Description

A lovely antique 19th century still life oil painting, most likely English and dating from around the 1880-1900 period. It depicts a charming scene of flowers and a vase, with beautiful and subtle colour tones. It is beautifully executed and mounted, on the back can be seen that the canvass was from Windsor and Newton, the original Victorian framers seal can also be seen. The original frame has been re-mounted behind glass at some point. The condition is excellent, there is just one incredibly small perforation to the painting, seen in the close up images and hardly noticeable in real life. Width – 33 inches , 83 cm Depth – 1.5 inches , 4 cm Height – 17 inches , 43 cm
