Description

This very large and substantial beautiful Art Deco Czech perfume atomiser dating from the 1930s. These size bottles are very hard to come by and so we were delighted to have found this one. Part of a private collection and first time to market since purchased a number of years ago. Features clear glass with Chromed metalware, with typical Karl Palda design in black enamel. The bottle comes with beautiful black silk atomiser bulb & tassel which is in perfect condition. This is a perfect find that will be an asset to any collection gift to an Art Deco admirer. The black enamel decoration is in excellent condition with attractive geometric decoration. Still retains it's original glass internal tube which has become unattached but present & isn't damaged.
