Description

Birmingham, 1921, Alexander Clark A lovely pair of solid Sterling Silver trumpet vases. They are stylish and good quality with a flared pierced rim and slender tapering body with a circular foot. They are hallmarked on the foot for Birmingham, 1921 and the maker Alexander Clark. The hallmark is worn on both but distinguishable on one better than the other. They are in good condition for their age. There are signs of age and use, some minor dinks and light surface marks but overall they display well. They have been gently cleaned and polished and are ready for use.
