## Description

Wonderful Victorian Dutch table top display cabinet made from solid oak in excellent antique condition. This unusual little cabinet has a domed flared cornice, a single arch shaped glazed door with an attractive tear drop handle and sits on elegant shaped legs to the front and square legs to the back. Inside there is a single velvet covered shelf to place your treasures on and with having canted glass gables there will be plenty of light into the cabinet and they will also maximise the view of items on display. An attractive well-proportioned little cabinet with gorgeous colouring and amazing patina that will show those trinkets to their best.
