Depth = 10 cm (3.9")

Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a platinum case and the most exquisite European old cut diamonds which are deeper than modern day cut and are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing. The total carat weight is approximately 3.5cts. The starburst dial is in perfect condition with matching gold hands. It is quite stunning, a new glass has been fitted and the case ultrasonically cleaned and polished so it is absolutely pristine, this is one of the best quality diamond watches we have come across. Each of the 12 largest diamonds around the dial are 0.2 ct each making a total of 2.4cts with a further 1.2cts of baguette diamonds to the shoulders, they are all bright clear and well matched. It comes with a brand new solid silver bracelet which we can make to fit any wrist size, just let us know the measurement you require or just send it back to us at a later date for resizing. If you prefer the traditional silk strap we can fit one for you in almost any colour you like. The Omega calibre 211 movement is an absolutely incredible...
