Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Solid 9ct gold classic gents watch with the highly reliable manual winding 17 jewel calibre 600 movement. Everything about this watch is original, the dial has not been restored or retouched in any way and is quite superb. It has the Omega logo on the crown, it is also fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. It has a full set of British 9ct gold hallmarks with the London hallmark letter F which indicates that it was made in 1961. The movement serial number also confirms the date of manufacture as 1961. The watch case measures 34mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding mint condition and highly sought after by Omega collectors, the best example we have seen for a long time. The movement has just been fully serviced and is running to within original Omega specification, We can fi...
