Description

delighted to offer for sale this one of a kind, fully restored, hand carved antique English longcase grandfather clock case depicting a King's Sovereign portrait. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. What a find, I purchased this piece maybe 8-10 years ago and it has sat waiting all this time for restoration, whomever removed the clock movement did so with little care and damaged the top of the piece, as such it has been fully restored to gallery condition and is now ready to accommodate a new movement. I saved this piece because clearly the carving is very old and was conducted by an exceedingly fine craftsman, the Sovereign portrait of a King is very Regal and adds a sense of occasion to such a piece, the case is also decorated with what looks like English Tudor Rose's which date to the 15th century, I'm really unsure exactly how old it is but based on other examples, it looks to be Georgian circa 1780 possibly earlier. Condition wise as mentioned it has been fully r...
