Description

This is a fabulous example of a vintage unisex Seamaster watch made by the premium Swiss make Omega. This is the Solid 18ct gold Seamaster Deville with fully automatic 24 jewel calibre 671 movement. Model reference number 165.004 Everything about this watch is original, the dial has not been restored or retouched in any way and is quite superb with just the lightest of patina expected on an original watch of this age. It has the Omega logo on the crown and a genuine Omega buckle. Even the glass is original and near perfect. The Seamaster logo on the back of the case is bright and crisp. It is fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. The watch case measures 31mm in diameter not including the crown so its suitable for the man who has a smaller wrist size or a lady who wants something a little Larger than the standard ladies sizes. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega co...
