Description

A lovely pair of vintage silver candlesticks elegantly styled with straight hexagonal columns and circular bases and tops. The tops are solidly made with a ribbed and stepped circumference, tapering smoothly to meet the columns with a circular band. The round bases are slightly stepped with more of the ribbed pattern, nicely balancing the holders. It is a lovely classic design; not overly fussy yet with enough detail to create impact and shine on the dining table or mantelpiece. A wonderful and practical gift for a wedding or anniversary. Both candlesticks fully hallmarked for hallmarked Birmingham 1968 with a makers mark, L D & Co. The bases are covered in green baize. Condition: in super vintage condition. The baize has some light staining as seen in the photos. Measurements: Height: 15.3 cm Width of base: 8.3 cm Candle holder (interior diameter): 2.2 cm Weight of the pair: 395 grams Measurements are approximate.
