Description

A Victorian carved solid English oak aneroid banjo barometer with porcelain scales in superb original condition c.1890. The slim proportioned case with carved scroll and leaf design pediment to the top, floral carving to the centre and leaf design crest to the base. Porcelain dial sat over the fully serviced and working aneroid movement, quarter plate glass view window with central reading marker set in a polished brass bezel. Matching scale to the original mercury action thermometer sat above. Presented in immaculate condition with a deep shine and original patina to the case work, fully serviced and working. Keep up to date via Instagram - sturmansantiques. Measures 34" high x 10" maximum width x 2.5" maximum depth. Postage and packing cost (tracked and insured) for this item is £27.00 for mainland UK. Please contact us for delivery abroad.
