## Description

A lovely set of 4 'penny' chairs dating from the early 20th Century. They have thick round shaped seats, spindle backs and turned legs joined by a H-stretcher. They are a harlequin set with some slight differences between the chairs but they go together nicely as a set. One chair still has its original 'lbex' paper label below the seat. The chairs are a good size and are comfortable to sit in. The seats are approximately 17 1/4" (44cm) high and 16" (41cm) wide. The chairs themselves are 32" (81cm) high. They are in good condition for their age and are strong and sturdy with a lovely patina. There are signs of age and use, a few knocks and light scuffs around the legs and some minor age-related marks here and there and some old repairs but nothing detrimental or untoward. There are some signs of historic worm in a couple of areas which has all been treated as a precaution and hasn't affected the chairs structurally or aesthetically. They have all been cleaned and lightly polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
