## Description

A beautiful antique burr walnut nest of tables in the Queen Anne style. They were made in England, and date from around the 1930's. The quality is excellent, the tops have beautiful serpentine shaped edges with crisp carving. They sit on cabriole legs with acanthus carving at the knees, the tables nest under one another smoothly. The burr walnut grain patterns and colour tones are stunning. We have recently had them re-polished, the condition is excellent for their age.
