Description

An original Victorian "Britannia" pub table with a good quality cast iron base and mahogany top. Dating from the late 19th Century the base has three legs cast into the figure of Britannia with ornate lions paw feet and a pierced shelf. It is well made and is an extremely heavy piece. It is in good condition for its age. There are normal signs of age and use, a few light knocks, surface marks and a slight shrinkage split in the wooden top but nothing detrimental. There has been an old repair to one leg but it is strong and sturdy. It has been gently cleaned and polished and is ready for use. Approximate Measurements: Diameter : 26" / 66cm Height : 29 1/2" / 75cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
