Description

This impressive wardrobe is in good original condition and came from a large country house near York. It retains all its original drawers and slides and has hanging to either side. The central slides could be removed if this was required for additional hanging space. The wardrobe dismantles into six pieces for moving but remember it came from a country house and the biggest section is still H 193 cm W 120 D 54 cm. A few marks to the original mirror and the odd blemish and minor repair but in great overall order. Internal hanging: H 145 cm W 57 cm D 48 cm.
