Description

If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 8 metres of material. You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. This is a very unusual Napoleon III sofa with comfy round bolster cushions for arms. This sofa is a striking design anyway but when it reveals its secret it is even better. The whole thing can come apart or can be used in a number of different ways. The right arm pulls up and then out to hold itself in place as a head or foot rest.
