A wonderful vintage silver and enamel brooch by the Norwegian silver designer Ivar T Holth. The brooch is styled as a bouquet of three overlapping elongated leaves in an ivory white guilloche enamel. The leaves are stylishly arranged and set in silver which has a light gilt finish. You could choose to pin in various ways and each view has interest and catches the light differently. A lovely addition to any collection of vintage Scandinavian designer jewellery, this is just so wearable and has great mid century modern appeal.
