Description

This is an excellent pair of antique sterling silver capped and labelled whisky noggins. Both noggins and labels are hallmarked for Birmingham 1923 and carry the maker's mark for Hukin and Heath, silversmiths. The noggins are in the classical conical style with well cut starburst design on the base. The hallmarks are clear throughout and the inside of the un-engraved lids carry conforming marks. The silver is in excellent condition, as is the glass apart from one small sharp section on the inside of the top of one handle where it meets the body. I can't see any damage but there may be a small chip. Dimensions: Height: 11cm Diameter of Base: 6cm. Complimentary gift packaging is available upon request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
