Description

A good example of a solid silver cheroot holder case. It is gilt lined with a hinged lid and it is beautifully decorated with engraved leaves and foliate around a shield cartouche. It is hallmarked for Henry Perkins, London, 1902 and it weighs approximately 17g. It is in very good condition for its age. There are some small dinks and minor surface marks and general signs of age and use but no major damages and it displays well. It has been lightly cleaned and polished and is ready for use.
