Description

Antique 1920s Syren full hunter pocket watch. The watch has a good quality Swiss stem-winding movement, signed Syren, which is working well. The movement screw-set jewels, a snail cam micro regulator and Breguet hairspring. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and was made by the Dennison Watch Case Company. The company manufactured cases for various watch makers. The case has several little pin prick marks and light surface marking. The winding crown pushes in to release the front cover. Inside, there is an acrylic lens which is in lovely condition. The white enamel dial is in lovely condition with original blued steel hands. The watch comes in a new presentation box.
