Description

RARE SMALL Antique 18 Century Oak Welsh Diadarn Deuddarn Cupboard Cabinet This is a wonderful 18th Century oak Diadarn which is of very rare small proportions. The piece has everything you expect to see in a nice early piece such as pegged joints and a wonderful patina which can only be gained through age. The piece comes in two parts with the top having a cavetto cornice above a plain frieze with inverted turned finials above a pair of fielded panelled cupboard doors. These are held in place with wooden catches and have pretty drop handles, and when opened this reveals a single shelf. To these sides are two panels with nicely shaped edges. The base has a rectangular moulded top above a pair of frieze drawers with brass swan neck handles and a pair of panelled cupboard doors each with an arrangement of two vertical and a long horizontal panel and when opened this reveals a single shelf. The doors have pretty drop handles. The panelled sides have the same arrangement as the doors namely two vertical and a long horizontal panel which sets it off nicely. The base is raised upon style supports. This cupboards could be used in any room in the house to provide useful storag...
