Description

A splendid pair of late Victorian Opera / Theatre glasses professionally re-polished to gleam, making them as good as they would have looked over 100 years ago. The glasses are signed by the maker on the frame, a Hexagon mark, I haven't managed to identify the maker to date. This is a pair with a telescopic lorgnette handle. All is wrapped in wonderful Mother of Pearl or Nacre shell including the eye pieces which are often brass. Fully working with good optics in superb condition. Folded up they measure 4 3/4" x 2" x 2"; they come with a fabric pouch (modern), Item: 44404 FREE Worldwide Registered Airmail Directly From the UK
