Date of manufacture: Victorian

Description

A pretty Victorian dressing table/ Trinket set of six pieces. The ring holder seems to have a tiny crack but nothing loose or missing, the other pieces all seem in sound condition with no signs of colour loss over the last 100 years plus. Keenly priced for all 6 items we believe at £36. This includes UK postage, so even better. They could make an excellent present perhaps. No carrier will insure against breakage but we would pack as well as possible.
