Description

Antique Waltham Bartlett full hunter pocket watch. The watch has a 17-jewel stem-winding movement which is working nicely. The movement is protected by an inner hinged cover which has a minor scratch. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and it is in good condition, just a pin prick mark and a short scratch to the back. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in lovely condition. The signed dial is in very nice condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. ...
