Description

Victorian Milners Luxury Safe An Antique Milners Luxury Safe in a stunning fully restored condition. We bring to you this very rare excellent condition early Milners Patent safe which was made around C1875. The Milners safes were some of the best in its class and at one stage regarded to be one of the largest safe manufacturers in the world. The Milners name still continues today as Chatwood-Milners under the Chubb group brand since 1958. This bespoke luxury safe has been re-painted inside and out using colours to closely match the original specification of the safe. The safe has been fully restored from bare metal, having been stripped and finished to ensure the highest quality refurbishment possible. The safe is painted in burgundy and black featuring black exterior bands which are complete with coach lines around the frame. The stunning ornately painted door is framed with black with burgundy to the centre door panel, embellished with skilfully painted gold leaf effect pinstripes and floral corner drawings. The inside is finished in a cream coloured paint exactly as it would have been originally, maintaining the original Milners Safe Co Ltd Logo on the back of the d...
