Depth = 14 cm (5.5")

Description

An outstanding 19th century miniature cupboard apprentice piece. The cupboard has two arched doors above three long drawers flanked by turned columns with the whole upon four ball feet. The piece is beautifully made with a clear focus on attention to detail. An illegible inscription can be found to the side of the bottom drawer with a hand-written reference number to the underside of the same. A really lovely example. Dimensions:- Height: 24.6cm Width: 21.2cm Depth: 14cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
