Description

Gents Cyma wrist watch, c1960. The watch has a signed Swiss 17-jewels hand-winding movement, Cyma calibre R.474, which is working nicely. The watch measures 26.5mm wide excluding the later winding crown with blue cabochon, 26.5mm high excluding the lugs. The case is stainless steel and it is in good condition with just light marking to the back. The lens is in good condition (some reflection showing in the photos). The signed dial is in beautiful original condition with original hands. A new leather strap has been fitted. The watch comes in a new presentation box.
