Description

A beautiful pair of antique Georgian style yew wood side tables. They were made in England, they date from around the 1930's. The quality is superb, they are a useful size and have a lovely design. The top and lower oval shaped tiers have raised pie crust edges, they have nicely turned legs with raised finials above the top tiers, sitting on brass casters at the bottom. The yew wood grain patterns are gorgeous and these have a wonderful mellow colour tone. We have had these recently re-polished, the condition is excellent for their age.
