Description

This elegant Regency Revival Trumeau mirror is a most imposing piece of good scale that would be a fine floor standing mirror or a grand pier glass in an entrance hall or alcove. The mirror has four separate glass plates in the typical Regency design adorned with attractive giltwood swags, ribboning, foliage and fruit in relief. The unusual detail to the design includes a pair of doves to the top of the piece holding drapes wrapped around the entwined columns. The mirror is in excellent condition and is a grand size measuring 153 cms high by 80 cms wide. UK delivery can be arranged with our trusted furniture courier and costs £70 plus vat to most destinations.
