Description

This is a wonderful piece of 18th century French furniture. Bold geometric design and great size. This armoire will sit well in a huge number of interiors and offers plenty of storage. The colour of the wood is very warm and contrasts with the silver coloured hinges nicely. The door has a double lock with their own keys that work smoothly. The inside is later shelved but gives a great number of uses. Clean original condition as well. Height 208cm Width 153cm Depth 66cm
