Description

You are viewing a gorgeous antique Italian needlepoint tapestry. Lovely scene with the shoe maker - or cobbler - and the male and female subject. I am sure there is some Romantic narrative going on in the scene. Very well executed, the details are exquisite. The ornately carved gilt frame is also very well done and in great condition. We date this work of art to circa 1860 and we bought it from a private residence in London's Mayfair. Offered in great shape, ready for home use right away. We ship to every corner of the planet - please get in touch for a shipping quote.
